ROCK & RITA'S AT CIRCUS CIRCUS OPENS JULY FOURTH WEEKEND

Rock & Rita's will open at Circus Circus over the Fourth of July weekend and feature flair bartending, live music and signature dishes such as "The Ulcerator" at the sprawling, 14,000-square-foot party spot. The team that has made Kahunaville at Treasure Island an enduring success is behind this new venue.

The Rock & Rita's theme is built on the concept of two namesake characters Rock and Rita that celebrate the culture of American rock. The story of Rock & Rita is incorporated throughout the restaurant – from the overall design, to the rocked out tour bus bar that occupies the front entrance. Road signs displaying "WARNING PARTY AHEAD" are a tribute to Rock & Rita's ultimate party band, Road Trip, playing everything from classic rock to funk and R&B.

The cocktail menu will have such selections as "The Rockin' Rita," "Bubblegumtini" and "The Porcelain God," which will be served in a toilet-shaped souvenir cup.

The All-American décor will integrate patriotic touches with technology to create a fun, interactive atmosphere that will include custom beer-pong tables and astounding visuals. The Circus Circus Race & Sports Book Bar, located just outside the venue, will also be revamped to take on the Rock & Rita's theme.

Rock & Rita's will be open daily for breakfast, lunch, dinner and late-night dining.
