Coming Soon – June 2010

Circus Circus offers the Great American Party at Rock & Rita's, a new venue featuring spectacular food, world-class flair bartending and live music with a rock 'n roll party attitude. The flair bartending turns even the simplest drink into a party as award-winning flair bartenders flip, spin, balance and catch bottles while mixing cocktails. The fun doesn't stop at the drinks, those in the mood for something different will enjoy down home American cuisine with a Rock'n Las Vegas twist.

It is planned that there will be a soft opening on June 14th with a Grand Opening planned for the weekend of 4th July.
