#### **Rock & Rita's Hosts Grand Opening Party**

Rock & Rita's the brand-new, 14,000-square-foot, dining, entertainment and live music venue at Circus Circus hosted its VIP Grand Opening bash Thursday, July 9. The guest list included celebrities Kevin Burke, comedian and star of "Defending the Caveman, the gorgeous cast of FANTASY at Luxor, and Nisha and Seema Sadekar, professional golfers and the latter, star of the Golf Channel's "Big Break Sandals Resorts" television show.

Burke got the party started when he was spotted with Rock & Rita's signature toilet bowl souvenir cup, while the women of FANTASY kept crowds revved-up as they cheered on the amazing flair bartender show. Several of the world's top flair bartenders stepped to the stage to showcase their award-winning skills to an enthusiastic group as the balanced, juggled and poured libations to a roar of applause.

Iconic rock stars, "Rock" and "Rita," made their debut at their namesake restaurant with owners David Tuttleman and Mark Green. Bartenders kept the bar "flairing" while guests enjoyed an array of signature dishes from Chef Alfonso Contrisciani's All-American menu including "Ma's mac and cheese," cheese burger sliders, hot dog sliders, mini pulled pork sandwiches, fried bologna sandwiches and coconut shrimp.
